Danes are expensive! Veterinary expenses alone are much higher (more dog=more medicine=more money). **AKC has offered the limited registration options to breeders for many years and many reputable and knowledgeable breeders utilize this option. Limited registration means that your Great Dane is completely registered and papered. Limited registration protects the breeder from violation of contracts on companion puppies. If these puppies were ever bred then their offspring would be ineligible for AKC registration. A dog registered with an AKC Limited Registration shall be ineligible to be entered in a breed competition in a licensed or member dog show. It is eligible, however, to be entered in any other licensed or member event. These events include: Obedience, Tracking, Field Trials, Hunting Tests, Herding, Lure Coursing, Agility and Earthdog. Only the breeder reserves the right to convert a limited registration to a full registration at anytime. For more information of AKC Registration visit <http://www.akc.org/reg/limitedreg.cfm>.*
